

..... Creating Midrash

What Do You Think?

You will create your own ending to “My Modern Midrash,” helping others to understand why Jacob eventually would make a strong leader. First, review the ten traits of a good leader listed in “Follow Me” on page 7. Then plan your ending by answering the questions below. When you are ready, use pages 13–15 to complete the midrash.

1. What do you want your midrash to teach about the qualities of a worthy Jewish leader?

2. What do you want the readers of your midrash to learn about Jacob?

3. How will your midrash end?
